Please be advised that the ITKF is pleased to announce Germany was approved as the host Federation for its XXII World event to be held in the City of Berlin. In consideration of the other major sporting events currently scheduled, the date approved for the event is **April 10 – 13, 2025**.

Please prepare your schedule and program accordingly and in keeping with the ITKF Constitution, Rules of Competition and Policies.

We look forward to working with you on these very important events.

Sincerely,
